玩法一：一张照片百变风格。

Nano Banana 美式证件照提示词

Prompt: Transform the uploaded portrait into a business-style headshot in the American aesthetic, while keeping the original subject completely unchanged in appearance. Facial features and identity should be clearly preserved. The image should feature a half-body composition, set against a blue textured studio

background with soft, natural indoor lighting to bring out realistic skin tones and a subtle sense of depth. The subject is dressed in a blue shirt and a black blazer, styled in a minimalist and elegant manner that reflects a modern and professional look, and accessorized with gold hoop earrings. Her expression should appear relaxed and natural, with bright, expressive eyes and a sincere, confident smile. The overall image should be clean, refined, and convey a trustworthy, professional impression.

2D 人物化身漫展 Coser

Prompt:

The background is removed and the person is transformed into a cosplayer. The cosplayer is standing in the center of a bustling comic convention event. (The

comic convention event is lively and crowded.) Lighting: The cosplayer is perfectly lit. Camera: Photographed with a 50mm camera. Angle: A portrait shot captured the entire body. Cosplayer: A beautiful young Japanese cosplayer. —ar 3:4.

真·破碎感肖像照

Prompt: close-up image capturing a fragmented portrait of a [SUBJECT] through [4 or 5] irregularly shaped glass shards scattered on a textured off-white background.

Each shard reveals intricate details with light reflections, while jagged glass edges with a slight green hue emphasize the image' s disjointed, fragmented composition.

The shards are arranged to suggest a cohesive subject without fully revealing it.

星露谷像素风形象

Prompt: reimagine me as a 16-Bit Video Game character and put me in a 2D 16-bit platform video game.

手中物品改成 3D 的透明线条全息图

Prompt

pt: Turn the object I am holding into a 3d transparent line art hologram.

玩法二：精准匹配素描图里的姿势。

保持原始图像背景不变，让武士跟随我的素描图做好战斗准备姿势。

Pro

mpt: Recreate the wandering samurai from the reference img1, with long black hair, unkempt beard, and a tattered kimono, holding a single katana. Change his posture to match the dynamic combat pose from the second sketch reference img2 (Both must go with the @ in front) low stance, torso leaning forward, one knee bent, the other leg extended, arms gripping the katana with correct anatomy, blade angled diagonally across the body. Keep the Edo-period rural Japanese village backdrop, muted earthy tones, dramatic overcast lighting, painterly cinematic realism. His

kimono should flow naturally with the motion, shadows and foreshortening consistent. No standing pose, no plain background.

简笔画提示词

Prompt: Make the character from Image 2 perform the exact same pose as the stick figure in Image 1. Keep the same cinematic background from Image 2.

玩法三：搞个模型玩玩。

Nano Banana 手办玩法加强版。

先来看个桌面原版：

Prompt: Create a 1/7 scale commercialized figurine of the characters in the picture, in a realistic style, in a real environment. The figurine is placed on a computer desk. The figurine has a round transparent acrylic base, with no text on the base. The content on the computer screen is a 3D modeling process of this figurine. Next to the computer screen is a toy packaging box, designed in a style reminiscent of high-quality collectible figures, printed with original artwork. The packaging features two-dimensional flat illustrations.

漂流瓶 Plus 版本

Prompt: A 1/7 scale commercialized collectible figure of the character from the photo, crafted in a highly realistic style. The figure is placed in a detailed beach environment with sand, seashells, and gentle ocean waves. The entire toy display is enclosed inside a clear souvenir glass bottle, giving it a premium miniature diorama look, with realistic lighting and shadows.

邪恶版（骷髅头风格）

Prompt: Premium 3D product render of a chibi skeleton-style [CHARACTER] on a round pedestal, holding [ACCESSORY], beside a matte-black package box. Print '[TEXT]' big on the box. Dark studio background, soft rim light, cinematic

shadows, realistic materials (leather/fur/metal), subtle X-ray vibe: skull face + visible limb bones but still recognizable. Ultra-detailed, crisp focus, product photography, depth of field, aspect ratio 3:4.

微缩景观模型

Prompt: Tiny diorama shop for [BRAND]. Roof made of oversized [PRODUCT], big

[BRAND] logo sign above the window, vendor handing a [PRODUCT] to a customer, ground covered with many [PRODUCT]. Hand-made polymer-clay look, studio macro photo, soft light, shallow depth of field, vertical 3:4.

城市大模型。

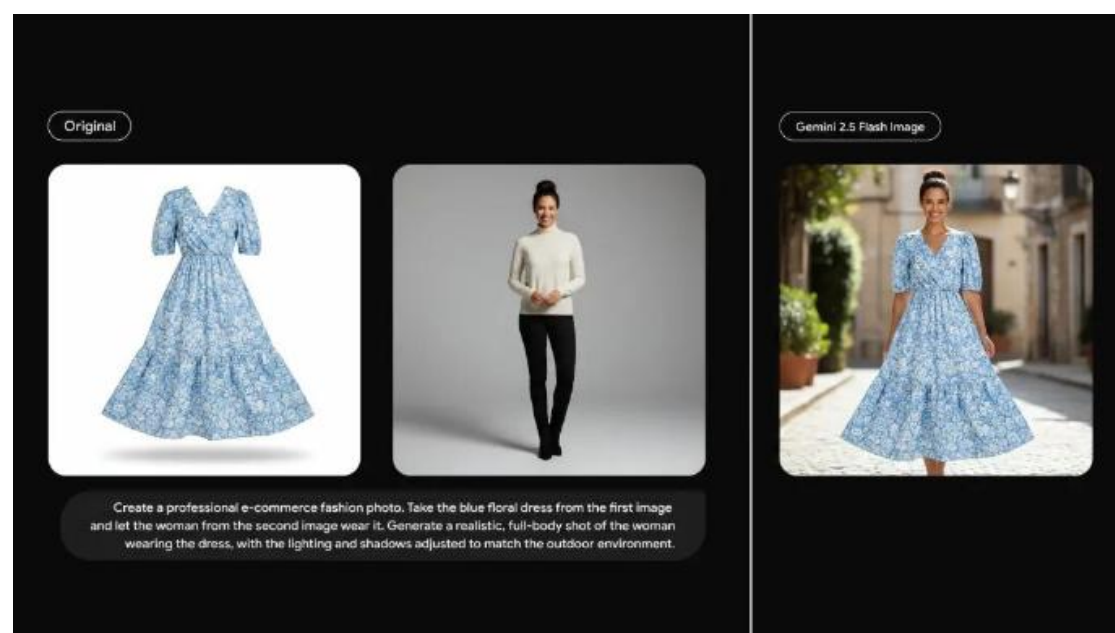

Prompt: Create a giant hyper-realistic statue based on the given photo, keeping the

original face exactly the same without changes. The statue stands tall in the middle of a roundabout in Dhaka, near a famous historical landmark. The statue is still under construction, surrounded by scaffolding, with many construction workers in yellow helmets and orange vests climbing, welding, and working on it. Parts of the statue's body are still exposed metal framework, while other sections are already detailed and finished. The background shows the realistic atmosphere of VARANASI CITY: crowded streets with colorful rickshaws, packed buses, and small cars circling the roundabout. Street vendors with tea stalls, fruit carts, and colorful umbrellas line the roadside. Shop signs, big billboards, and messy hanging electric wires crisscross above the streets, creating the typical Dhaka city vibe. The bright daytime sky shines above, with tropical trees and a bustling, lively atmosphere.

Style: photorealistic, vibrant, and full of life.

玩法四：局部元素对比修改。

Nano Banana 的高级组合功能，可以将不同图像里的元素组合在一起。

Prompt: Create a new image by combining the elements from the provided images.

Take the [element from image 1] and place it with/on the [element from image 2].

The final image should be a [description of the final scene].

装修也能让 Nano Banana 帮忙保留整体风格，只调换其中一个家具元素。

Prompt: Using the provided image, change only the [specific element] to [new element/description]. Keep everything else in the image exactly the same, preserving the original style, lighting, and composition.

玩法五：欢迎来到虚拟世界。

各种虚拟场景生成。

Prompt: Create a mid motion action scene where both subject are in focus with a Three-Quarter Angle in martial arts fighting stances. They are in the same cinematic scene. Remove the line down the centre with a blurred crumbling ruins in a purple alien world in the background. The scene is shot at sunrise. Modern Fighting game health bars MORDON V' s DEATH SEED. power move. Hud style screen effects. Add a thumbnail of each character to the health bars. Lense flares.

或者撕开现实的幕布风格

Prompt: A photorealistic image of a torn piece of paper revealing [INSIDE VIEW].

The torn paper is vertically oriented, with the edges rough and uneven, as if ripped by hand. The contrast between the textured white paper and the detailed landscape creates a striking visual effect, capturing a feeling of discovery and wonder.

玩法六：玩转真实摄影。（官方提示词）

Nano Banana 就是你手中举起的 AI 相机，只需在提示词中，精心加入相机角度、镜头类型、光线照明，再打磨亿点点细节，一张超逼真的 AI 照片随即诞生。

Be like 下面这张人像摄影，面部的皱纹轮廓清晰可见。

Prompt: A photorealistic close-up portrait of an elderly Japanese ceramicist with deep, sun-etched wrinkles and a warm, knowing smile. He is carefully inspecting a freshly glazed tea bowl. The setting is his rustic, sun-drenched workshop. The scene is illuminated by soft, golden hour light streaming through a window, highlighting the fine texture of the clay. Captured with an 85mm portrait lens, resulting in a soft, blurred background (bokeh). The overall mood is serene and masterful. Vertical portrait orientation.

玩法七：制作风格化贴纸。

要让 Nano Banana 协助设计，需要明确好所有细节，也就是成为一个合格的甲方，包括贴纸风格、关键特征和色彩选择等等。

Prompt: A kawaii-style sticker of a happy red panda wearing a tiny bamboo hat. It's munching on a green bamboo leaf. The design features bold, clean outlines, simple cel-shading, and a vibrant color palette. The background must be white.

玩法八：制作一个品牌 logo。

据官方透露，Gemini 相当擅长渲染文本，所以拿来搞 logo 设计再合适不过，当然同样需要描述清楚自己想要嵌入的文本以及字体。

比如说下面这张咖啡馆 logo，咖啡豆的巧妙设计可不是 Nano Banana 自己琢磨出来的，还得靠人类聪明的小脑瓜下达指令。

Prompt: Create a modern, minimalist logo for a coffee shop called 'The Daily Grind'. The text should be in a clean, bold, sans-serif font. The design should feature a simple, stylized icon of a coffee bean seamlessly integrated with the text. The color scheme is black and white.

玩法九：拍摄专业的产品照片。

产品拍摄和一般的真实拍摄还是有所不同的，作为品牌宣传照，要让 Nano Banana 选择性突出产品特性，同时场景也必须服务产品，除了选择相机参数，产品的细节也要在提示词中充分表达。

例如官方生成的这张产品照中，就在提示词中加入了具体的材质描述：抛光混凝土表面上的极简主义哑光黑色陶瓷咖啡杯。

Prompt: A high-resolution, studio-lit product photograph of a minimalist ceramic coffee mug in matte black, presented on a polished concrete surface. The lighting is a three-point softbox setup designed to create soft, diffused highlights and eliminate harsh shadows. The camera angle is a slightly elevated 45-degree shot to showcase its clean lines. Ultra-realistic, with sharp focus on the steam rising from the coffee. Square image.

玩法十：极简背景设计。

像网站、PPT 这些，背景要求普遍都是极简、干净，所以在用 Nano Banana 生成时，可以提出需要一块大面积空旷画布。

例如生成该 PPT 背景模板时，大面积留白也为后续用户自己填充文字保留了足够的嵌入空间。

Prompt: A minimalist composition featuring a single, delicate red maple leaf positioned in the bottom-right of the frame. The background is a vast, empty off-white canvas, creating significant negative space for text. Soft, diffused lighting from the top left. Square image.

玩法十一：成为一个漫画家。

Nano Banana 让人人都能成为漫画家，而你只需要讲出你的故事，编剧是你，作画是它。

举个例子，在某个雨夜，小镇里突然来了一位神秘的侦探.....

Prompt: A single comic book panel in a gritty, noir art style with high-contrast black and white inks. In the foreground, a detective in a trench coat stands under a flickering streetlamp, rain soaking his shoulders. In the background, the neon sign of a desolate bar reflects in a puddle. A caption box at the top reads "The city was a tough place to keep secrets." The lighting is harsh, creating a dramatic, somber mood. Landscape.
